Rotterdam fit for the future

Sport, educatie, buitenruimte, mobiliteit, werk en cultuur

An aerial photograph of a cityscape. In the foreground, a large, modern building with a distinctive wavy, metallic roof is visible. Behind it, a tall, slender skyscraper rises above the surrounding urban environment. The city is densely packed with various buildings, including residential blocks and commercial structures. Green spaces and trees are interspersed throughout the urban layout. The text "Ik wens jullie een inspirerende dag toe!" is overlaid in the center of the image.

Ik wens jullie een
inspirerende dag toe!
